In entering, I agree to allow my name, club name, score and any other relevant information to appear in the results, however they may be published. Please tick to confirm that you have read and that you agree to this statement, failure to tick this box will mean your entry will not be processed:

WORTHING AND WEST SUSSEX SMALLBORE RIFLE ASSOCIATION

2020-21 WWSSBRA WINTER INDIVIDUAL POSTAL OPEN

RE-ENTRY IS ALLOWED - ENTRIES CLOSE 19th FEBRUARY 2021

COMPETITION CONDITIONS/DETAILS:

1. This event is open to **all** competitors; there is **no** need to belong to a WWSSBRA affiliated club.
 - 1.1 There is no limit on the number of entries that an individual can make for each competition. Re-entry is permitted any time up until the closing date.
 - 1.2 Where multiple entries are made, only the highest scoring set will be included in the results.
2. All cards must be fired in accordance with current NSRA Rules and Regulations, unless stated otherwise. Any disputes will be decided by the 'Competition Committee', which will consist of any three current members of the WWSSBRA Committee; their decision will be final.
3. **COURSE OF FIRE:** All competitions must be fired in sticker order and must be completed in 20 shots series at the same distance. Each 20-shot series may be shot on different days.
 - 3.1 The Iron Sights and Any Sights competitions must be shot in the prone position. The Benchrest competitions are to be shot from the benchrest position as defined by current NSRA Rules and Regulations.
 - 3.1.1 **Competition 1:** The course of fire is 5 x 20 shots at 50 metres or 50 yards.
 - 3.1.2 **Competition 2:** The course of fire is 5 x 20 shots at 100 yards.
 - 3.1.3 **Competition 3:** The course of fire is 5 x Dewar, which is 5 x 20 shots at 50 metres/yards and 5 x 20 shots at 100yds. Competition 3 may be shot concurrently (see 3.2) with competitions 1&2 or may be shot separately. When shooting competition 3 concurrently with competitions 1&2 the aggregate scores from competitions 1&2 will be used for competition 3 scores.
 - 3.2 **Concurrent shooting** – Where concurrent entry has been specified on the entry form, **all** of the cards for each respective distance must be shot concurrently. If concurrent entry is not specified on the entry form, concurrent shooting is still possible. In this instance the competitor may 'double up' their stickers (prior to the targets being shot); however, the competitor must shoot **all** cards for the respective competitions concurrent. For example, the competitor may wish to shoot the 50m leg of Competition 3 concurrent with Competition 1; therefore, all of the 50m cards for Competition 3 must be shot concurrently with all of the Competition 1 cards, it is **not** permissible for only some 50m Competition 3 cards to be shot concurrent with Competition 1 – it is all or nothing. To be clear, in this example the competitor may still shoot their Competition 2 cards separate to the 100yds leg of Competition 3; although, if this option is taken all of the 100yds leg of Competition 3 must be shot separately to Competition 2. The same rules apply for shooting Any Sights competitions concurrent with Iron Sights competitions, i.e. the competitor must either shoot all of Competition 1 Iron Sights concurrent with all of Competition 1 Any Sights, or all of the Competition 1 cards must be shot separately.

3.2.1 All of the Any Sights competitions may be shot concurrently with the Iron Sights competitions providing that **only** Iron Sights are used. Witnesses must ensure that the competitor has complied with this condition. There will be zero tolerance for any breaches of this condition. Any breach will result in the competitor being disqualified from both the Any Sights and the Iron Sights competitions.

4. **CLASSIFICATIONS: Class A:** 97.5 and over **Class B:** 94.5 – 97.4 **Class C:** 94.4 and below

These classifications are ex. 100 and are based on 25yds (or short-range equivalent) averages. All averages should be submitted correct to one decimal place. If the competitor does not have a 25yds average, then the higher of their 50m/50yds or 100yds average (ex. 100) may be submitted. If the competitor does not have an average, then an average calculated from the best 10 of their last 12 practice cards may be submitted. Failure to submit an average will result in the competitor's classification being listed as Class A.

4.1 If there are less than three entries in a class then that specific competition will not run; however, entrants will have the opportunity to shoot in a higher class (with 3 entries or more), if they so desire.

4.2 Should the scores of a competitor considerably exceed the submitted average, the competition organiser reserves the right to reclassify the competitor accordingly.

4.2.1 The competition organiser is defined as Worthing & West Sussex Smallbore Rifle Association (WWSSBRA).

5. **TARGETS:** The below targets will be accepted with or without the '-18' suffix. The use of any other targets is prohibited. Competitors are responsible for supplying their own targets.

5.1 Iron Sights & Any Sights:

- 50 metres – NSRA MM 12 C 1996 (pre trimmed centre) or NSRA MM13/89 (3-card system) or Electronic Targets that comply with the criteria detailed in section 1.10.9 of the current NSRA Rules and Regulations
- 50 yards – NSRA 5002C 1996 (pre trimmed centre) or NSRA 5006 BM/89 (3-card system)
- 100 yards – NSRA 1001C 1996 (pre trimmed centre) or 1003 BM/89 (3-card system)

5.2 Benchrest:

- 50 metres – NSRA MM 12 C BR15 (2-target) or NSRA 5010BR/17 (10-target) or Electronic Targets that comply with the criteria detailed in section 1.10.9 of the current NSRA Rules and Regulations
- 100 yards – NSRA 1001 BR15 (1-target)

6. **STICKERS:** Stickers must be affixed to the front of the target (which corresponds to the distance indicated on the sticker) before shooting. If using NSRA 'pre trimmed centres', one sticker must be affixed to each individual card. If using the NSRA three card system **two** consecutively numbered stickers must be affixed to the card. For electronic targets, stickers should be affixed as detailed in section 7.4.7 of the current NSRA Rules and Regulations. If this is not possible, please contact the WWSSBRA Competition Secretary, Robert Dowling, via email (wwssbra-comps@outlook.com) as soon as possible.

6.1 Where multiple entries are made, stickers will be issued in sets. If multiple stickers are affixed to a target they must be from the same set.

7. **PERIOD OF SHOOTING:** All cards must be completed by **Wednesday 31st March 2021**. Unless an extension has been granted, cards shot after this date will be disqualified.

8. **WITNESSING:** All shot qualification cards must be signed, witnessed and dated.

9. **SCORING:** Local scoring will be allowed. If a local scorer is used, the scorer must meet at least **one** of the following criteria:
- a) hold a valid NSRA scorers' qualification,
 - b) a current WWSSBRA committee member,
 - c) a current committee member of an NSRA affiliated club/association or any NSRA technical committee (including the NSRA Board of Management and the Shooting Council),
 - d) hold a valid NSRA club/county/regional instructor qualification (for rifle), or
 - e) hold a valid ISSF coaches/judges license (for rifle)
- 9.1 Scoresheets will be distributed with the competition stickers. Where a local scorer is used, the scoresheets must be completed and returned to the WWSSBRA Competition Secretary, Mr R. J. Dowling, no later than **23:59 on Wednesday 7th April 2021**. Unless an extension has been granted, scoresheets received after this deadline will not be accepted. Copies of completed scoresheets may be scanned and sent to the Competition Secretary via email or by post (details will be included on the scoresheet). If using a local scorer, please ensure that the scorer keeps shot targets until results have been distributed. The Competition Secretary may call in locally scored shot targets for checking. Shot targets may be called in physically, or in some cases, the Competition Secretary might request a photo of the shot targets be sent via email.
- 9.2 Shot cards may be posted to the relevant central scorer, should the competitor not wish to use a local scorer. Details will be provided with the stickers. Cards that are to be scored by the central scorer must reach them no later than **Wednesday 7th April 2021**. Unless an extension has been granted, cards received after this date will not be scored and will be disqualified.
- 9.3 When submitting shot cards or scoresheets via post it is recommended that a certificate of posting is obtained. Without a certificate of posting no re-shoots will be permitted.
10. **RESULTS:** Results will be distributed via email and will be published online. Results may also be published in print. Should the competitor wish to receive a hard copy of the results then an SAE must accompany the entry.
- 7.1 **CHALLENGES:** The challenge period will be detailed with the results. Challenges must be lodged, in writing, with the Competition Secretary.
11. **PRIZES:** Medals will be awarded for first place in each competition, providing there are at least three entries in the class for that competition. In each class, medals for second place will be awarded if the total class entry is greater than 4; if the total class entry exceeds 6 then a third place medal will also be awarded.
