

SUMMER SEASON 2021 NSRA COMPETITION CONDITIONS

Detailed below are updates to NSRA Competition Conditions which are now applicable to NSRA Leagues and Competitions.

ONLINE RESULTS PORTAL

The NSRA are continuing our move to the Online Results Portal for publishing results for Leagues and Competitions. This exciting development has unfortunately been delayed by circumstances beyond our control, so the NSRA are currently not able to accept Competition Entries via the Online Results Portal.

GDPR Statement: It is a **CONDITION OF ENTRY** that the Competitor agrees to their Name, Club Name, Scores, Averages and any other relevant information appearing in the results of Postal Competitions, however these results may be published. Information provided on this entry form will be stored on secure servers in accordance with GDPR regulations of the purposes of administration of the Postal Competitions you enter.

The NSRA will not use or sell any Competitor's data for commercial purposes. Please read the NSRA's Privacy Policy for further information, which is available on our web site <https://www.nsra.co.uk/index.php/home/reference/codes-guidance/nsra-privacy-policy>

CONCURRENT SHOOTING

The Online Results Portal will automatically carry concurrent scores from the "Master" Team League to the concurrent Individual League. However, this **must** be specified at the beginning of the season and shooters **must** continue to shoot their cards concurrently throughout the season.

Please notify the Competitions Team when you submit this Individual Entry Form if you wish to shoot concurrently in one of the following Individual Leagues. Just tick the "Concurrent with 103/110?" box.

(303) Individual 50M League concurrent with (103) National 50M Team League

(305) Individual Veteran's 50M League concurrent with (103) National 50M Team League

(310) Individual Short Range League concurrent with (110) National Short Range Team League

AIR RIFLES ARE NOW PERMITTED FOR USE IN NSRA SHORT RANGE LEAGUES AND COMPETITIONS

As from the Winter 2020/21 Season 0.22 or 0.177 Air Rifles are permitted for used in the NSRA Short Range Leagues and Competitions.

- The Average Declaration should be specified as either 0.22 rimfire, 0.177 Air or 0.22 Air. For Short Range Competitions please highlight Air Rifle shooters on this Entry Form by denoting an (X) next to those shooting 0.177 Air or (Y) next to those shooting 0.22 Air
- Competitors must fire all cards in the competition with the firearm type as declared via their average. E.g. if entering with a 0.177 average all cards in that competition must be shot with a 0.177 air rifle – the competitor may not change to a .22 rimfire rifle midway through the competition and vice versa
- For 0.22 and 0.177 Air Rifles, round nosed pellets should be used as set out in NSRA Rule 8.2.3.2

When a range is used for airguns it will be necessary to make provision to remove the anti-splash curtain (Linotex or equivalent) or fit an additional pellet catcher or curtain of Hessian or similar material. Refer to NSRA Design, Construction and Maintenance of Target Shooting Ranges, pages 3-6, paragraph 3.4.10.8
